

## Newborn

---

It is advised due to limited monthly availability, that you call to provisionally book your newborn shoot prior to your baby's arrival. I will then offer a date, ideally within 3-10 days of your expected due date. Upon securing your booking I shall text you all your confirmation details including all you'll need to bring, what you have purchased and the studio address.

Any changes to baby's arrival you are requested to text me within 24 hours.

Should your baby be a little impatient and arrive early, I can send you a new date and time for your appointment, if it's required. Likewise, if your little one is also too comfortable and arrives later than expected, just drop me that text asap, ideally within 24 hours so I can adjust your session should we need to.

If an appointment is not attended without prior notice of cancellation, then a 'no show' fee maybe charged at my discretion or if a deposit was paid, this will be lost. This is because I only offer 12 newborn shoots per month, should you not show up for yours it means I may have lost potentially offering the appointment to another client.

**A minimum notice of 72 hours is required to change your session day.**

*Please note: Should you wish to cancel your booking completely, 2 weeks minimum notice is required otherwise your full payment will be lost.*

All newborn shoots offer 2.5 hours of studio time. Should your little one be unsettled on the day, a 2nd session maybe offered at a cost of £25. This fee however, will be deducted off any additional spend.

Your complimentary image is emailed to you for you to print as a 6"x4", 9"x6" and 12"x8" image. The complimentary image is ONE picture from your shoot which is of your baby only. Artworks, sibling or parent shots are not available as your complimentary image, however these are available to purchase separately.

You can request an upgrade on size at your viewing for an extra £25 or will be upgraded free of charge with any additional purchase.

## Other Shoots

---

Your little one must be sitting up happily unaided for at least 10 minutes at a time if booked in for a 6/12 month shoot. This is because I like capturing natural, relaxed smiles and if your little one is worried about toppling over then it's going to reflect in their facial expressions.

Should your little man or lady be feeling under the weather then it's best to call and re arrange your shoot for another day. Little ones become very clingy when unwell so the last thing they want to do is sit having their picture taken. All I ask is that I receive a call or a text message by 9am on the day of your shoot, this then gives me plenty of time to re arrange my diary for the day should I be able to.

*\*If you have booked in for a Smash the Cake shoot, then a min of 3 days notice is required otherwise the cost of the cake (£27.50) will be lost or deducted from your package if your cake has already been baked.*

All shoots, other than my newborn shoots include up to an hours studio time. Should on the day of your shoot your little one not be very happy to take part then a 2nd appointment will be offered free of charge. If its a Smash the Cake shoot then the cake will be required to be paid for at £27.50 unless we can rebook within 3 days (and use original cake).

Your complimentary image is a digital image which is emailed to you. The image will print up to a 12"x8" image and can be printed as many times as you require. The complimentary image is \*ONE image which includes baby only, not an artwork, sibling or parent shot. Other digital images are available separately to purchase.

You can request an upgrade on size at your viewing for an extra £25 or will be upgraded free of charge with any additional purchase.

*\*If it's an image from your Smash the Cake shoot, the chosen image MUST include the cake.*

All cakes are freshly baked and made especially to compliment the theme/colours you have chosen. Special dietary requirement for your son or daughters cake can be applied at an additional cost of £10.

A selection of outfits are available to use or you can supply your own if you'd prefer. I can recommend a lady on Facebook under the name of; CAKE SMASH PROPS who can make and supply some amazing outfits!

## Model Shoots

You have kindly agreed to a free shoot with a digital image in exchange for me to be able to use the images on social media platforms, my website and within my studio. You are also entitled to a huge discount off my top package. Choose this offer and lock in these prices for any returning visits. Recommend me to family and friends, if they book they get the same deal.

£25 Refundable deposit paid is to cover my time. This is fully refundable provided both your session and viewing appointment are attended. Should you cancel either appointment without 24hrs notice or just not show up, your deposit will be retained to cover some costs/time lost. I DO NOT choose your complimentary image for you so you will be required to attend your viewing to pick your favourite image.

If you are a Smash the Cake model, the £27.50 paid for the cake is non refundable if cancelled without 3 days notice.

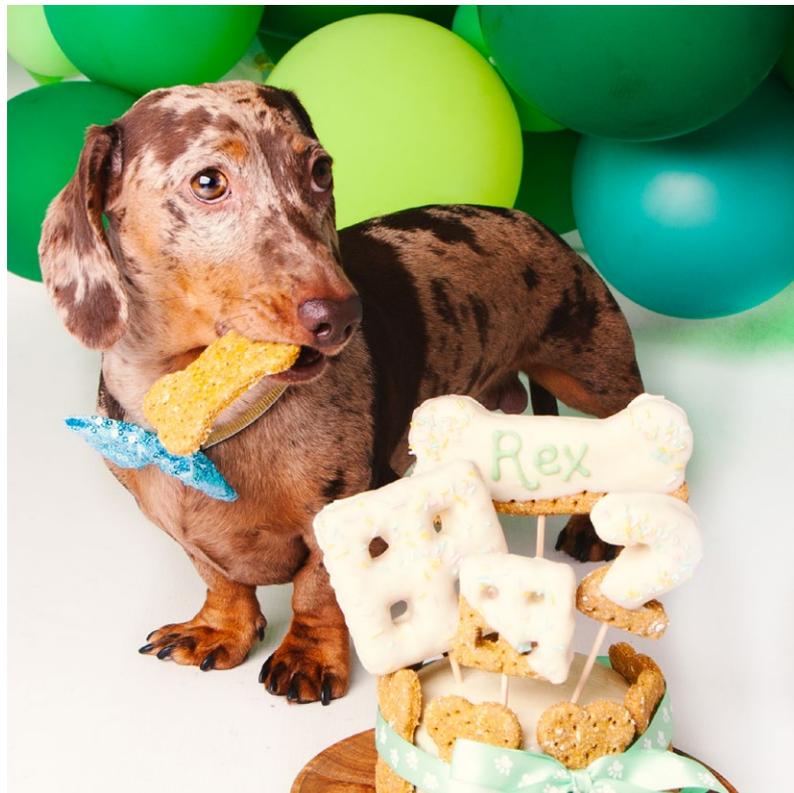

## Pawty Shoots

Doggie cakes need to be ordered at least 10 Days prior to session date to allow for baking and postage.

Should you need to rearrange your shoot, just bare in mind that these are only available on the last Sunday of each month, unless otherwise arranged. Where the cakes are included within the session fee, these can be frozen so no money will be lost providing a new date has been set. If not, a £30 fee will be held back from your session fee to cover the cost of the cake.

Doggie must be well behaved and not nervous or show signs of aggression to strangers.

Please walk your doggie well and ensure they have a toilet break prior to coming into the studio.

## Viewing Appointments

---

All session packages include one, 1 hour's viewing time. Should a 2nd viewing be required there is a charge of £25 to cover the additional hour requested. However, this will be deducted off any additional spend made.

A price guide is given at the end of every session. This is to help you to come prepared and budget for your viewing so you get the best deal possible.

Feel free to ask about my money saving 'Pre Purchase' Deals.... saving money on packages purchased ahead of your viewing appointment.

I accept payment via bank transfer, PayPal or any major debit/credit cards except American Express. Unfortunately, cheques are no longer accepted.

A 3 payment scheme is available – please feel free to ask for details.

Providing payment is made in full at your viewing and there are no changes to be made to your order, images will be available to email over to you on the day, whilst you are still at your viewing appointment.

It is kindly advised that your viewing appointment is a small child free zone, for you to relax and enjoy your slideshow without any distractions.

## Social Media & Model Shoots

---

Loved your experience? Please feel free to share your images on your social network platforms but please remember to tag Blossom by Nicky Malone if you do. All the extra exposure is great for getting the business out there and fresh enquiries. This helps small businesses like myself greatly during these tough times to survive!

Feedback on Facebook and Google also help us greatly.

Model shoot? Feel free to share any adverts you see posted which include your little ones images.

## And Finally

---

Please respect you have booked a photoshoot of your choosing for myself to capture some beautiful images for you to cherish forever. Please leave the taking of pictures within my studio walls to me. Anyone caught taking their own pictures without prior consent, will have their session cancelled and be ask to leave. Any session fee or deposit paid will not be refunded.

Please ask me for further details.

*Nicky xx*
